

2024-2026 Purchase Agreement for Grapes

Chateau Grand Traverse, Ltd, (the buyer) agrees to buy, and Old Mission Creek, LLC, 3553 Old Mission Road, Traverse City, MI 49686 (the seller) agrees to sell grapes from the 2024, 2025 & 2026 harvests, by Old Mission Creek, LLC and its affiliates under the following arrangements:

Tonnage and Variety

The agreed upon tonnage and variety of grapes are to be:

- Riesling [Est. 20-25 Tons Annually]
- Pinot Gris [Est. 10-15 Tons Annually]

Seller's estimate of crop tonnage is a good faith effort and shall not be penalized for an inability to deliver the full amount when difficulties beyond its control are present.

Quality and Harvest Control

Both parties shall cooperatively test the grapes in the field to ensure the harvest can produce the highest quality grapes. Seller will provide samples to buyer as the grapes continue to ripen. In addition, Seller will consult with buyer as to the cropping of vineyard and the date at which the grapes will be harvested.

The buyer maintains the right to reject any grapes that do not meet a minimum ripeness of 18° Brix. Buyer also maintains the right to reject non-conforming lots, if the lot fails to meet the quality standard of less than 3% rot or mold, and no more than 1% materials other than grapes (MOG). A mutually agreed upon third party shall determine the levels of rot, mold, or other materials should buyer and seller be unable to agree. Both buyer and seller agree to accept this objective third party judgment.

Price

The agreed upon price for the grapes shall be as follows:

• Riesling	\$1,725/ton @ 19.0° Brix Delivered to Chateau Grand Traverse Price Adjustment to be +/- \$10.00 Per Ton Per +/- .1° Brix Change
